

British squad

Tina Cook, 43

Horse: De Novo News, 11
Owners: rider; Jim Chromiak
Breeding: Last News/
unlisted

A home-bred horse making his championship debut, but with the benefit of a vastly experienced rider. He was ninth at Burghley and recently fifth in the hot CIC3* at Barbury.

William Fox-Pitt, 45

Horse: Chilli Morning, 14
Owner: Christopher Stone
Breeding: Phantomic/
Kolibre

The stallion has been saved for this since taking the individual bronze at last year's European Championships, with a win at Bramham CIC3* and ninth at Aachen CIC3* on his prep runs.

Harry Meade, 31

Horse: Wild Lone, 13
Owner: Charlotte Opperman
Breeding: Doranstown
Hello/Robertstown Boy

Harry's comeback from breaking both elbows to finish third at Badminton has been well documented. This pair — initially reserves — won't lead the dressage, but may well finish on that score.

Zara Phillips, 33

Horse: High Kingdom, 13
Owner: Trevor Hemmings
Breeding: Master Imp/
Chairlift

Impressive when team silver medallists at London 2012, and second at Luhmühlen last year, before Zara had daughter Mia in January. Solid this year without finding top form.

Oliver Townend, 31

Horse: Black Tie II, 13
Owner: Karyn Schuter
Breeding: Mughtanim/
Brilliant Invader

Oliver returns to Team GBR after five years away, riding a smart and improving little horse who earned his squad place with a win at Burnham Market CIC3* and fourth at Luhmühlen.

Nicola Wilson, 37

Horse: Annie Clover, 10
Owner: rider's parents Mary
and Barry Tweddle
Breeding: Newmarket
Venture/Clover Hill

Also from the reserve bench. Annie Clover makes her four-star cross-country debut; her three-star record includes fourth at Bramham CCI3*.
